

Class begins on Saturday, April 2nd from 9:00am – 11:00am. Please use Bluejeans meeting ID 2488513386 for this class.

"To participants in the class on sexuality in psychoanalysis,

Welcome. As in every class in the Early Admissions Program, there is much to cover and only limited time. In terms of what to expect, I do not plan to lecture for two hours. I will be making some introductory remarks at the start of each meeting, and then we'll go to the specific readings, and we'll discuss those. In order to make the discussions as interesting as possible, please read the papers in the syllabus with the intention of coming into our meetings with your reactions, criticisms or disagreements, questions, clinical material from your own practices, in short, any associations that the readings bring to mind. I want to make it possible for everyone to participate actively.

I look forward to meeting everyone on April 2 and learning together.
Michael Singer, Ph.D. "

Thanks very much.
Michael
